Fifth Third Bank (Georgia), which has locations in the Marietta and Kennesaw areas, announced it has been selected as a 2017 Disability Matters honoree, presented by Springboard Consulting LLC.

The bank is being recognized with the highest honor in the "Employer of Choice" category for taking their Disability Matters award-winning initiatives to a level where there is synergy between mission and achievement. The awards recognize the bank's commitment to hiring and engaging individuals with disabilities and providing a transition-to-work training program with marketable and competitive skill-building opportunities to young adults with disabilities through Project SEARCH.

"Fifth Third Bank is honored to receive the Employer of Choice award in recognition of the bank's long-standing focus on the inclusion of individuals with disabilities in our workforce, workplace and marketplace," said Randy Koporc, Georgia regional president for Fifth Third Bank.
