Morgan and J.P. Morgan Cazenove brands.

J.P. Morgan has operated in Europe for nearly 200 years and has a sophisticated local market presence across Europe, the Middle East and Africa (EMEA). Within the region, J.P. Morgan has an unparalleled client base and leadership across the spectrum of financial services products. Globally, through the JPMorgan Chase Foundation, we make philanthropic investments in cities where we have major operations, assisting those at a disadvantage by helping them build better lives for themselves, their families and their communities. Across EMEA, the firm focuses its investment and attention on three pillars: Economic Development, Financial Empowerment and Workforce Readiness.

J.P. Morgan is a global leader in financial services, offering solutions to the world's most important corporations, governments and institutions in more than 100 countries. As announced in early 2018, JPMorgan Chase will deploy \$1.75 billion in philanthropic capital around the world by 2023. We also lead volunteer service activities for employees in local communities by utilizing our many resources, including those that stem from access to capital, economies of scale, global reach, and expertise.
