MENDHAM, NJ, USA (October 11, 2012) -- Springboard Consulting LLC, recognized as the global expert on mainstreaming disability in the corporate workforce, workplace and marketplace, announces its 2013 Europe Disability Matters Awards Banquet and Conference, to be held June 12-13, 2013, at Accenture's headquarters located in Paris, France. "We are pleased and honored that Accenture is hosting this most important corporate event, along with this year's partner, the Association of French Managers in Diversity (AFMD)", said Nadine Vogel, President of Springboard Consulting LLC.

The disability community is the largest and fastest growing minority in the world. Meeting the needs of this segment, including those who have dependents with special needs, through workforce, workplace and marketplace initiatives is no longer just a strategic advantage, it's a business imperative. This is especially true in light of the many recent legislative changes impacting this segment throughout Europe. The 2013 Europe Disability Matters Conference will feature executive presenters from best practice corporations along with experts from government, academia and the non-governmental organizations sectors, sharing their experience on how to appropriately support and market to this very large, loyal segment of the population.
